General

Unit 1: Environmental Matters

Announcements

Unit 1: Speaking and Listening

In this unit, we look at the differences between direct vs reported speech. As the theme for the unit is environment, we look at words associated with this and how discuss how our cities may look in the future. We practise 'word formation' which is a skill needed for the Use of English Paper. **Please note that our full course is available [here](#).**

This course was amazing. For a beginner like me, it's easy to understand. The explanation was depth and detailed, with examples and illustrations.
